WELCOME TO THE GRAND HOTEL NATIONAL

A unique location. Our hotel is situated at the heart of Lucerne and on the very shores of Lake Lucerne. Feast your eyes on the breathtaking views of the surrounding mountains and take a stroll along the lake on the promenade!

Our 41 luxurious rooms are furnished in Empire style. Our pool floor with swimming pool and sauna provides a veritable oasis of relaxation.

A total of 7 rooms provide an elegant setting for between 8 and 230 guests. For events up to 30 participants, you can choose one of the five stylish business rooms "Harlekin", "Marmera", "Atlantik", "Pazifik" and "Méditerranée". For larger occasions, the magnificent "Ritz" and "Escoffier" rooms can be reserved individually or together.

The Restaurant National – recipient of 15 Gault-Millau points – is where good food meets comfort. Our head chef seduces guests with his creativity, his finely-honed culinary art and his love of top-quality regional products.
