Celebrate elegantly and in style

Indulge in the luxury of times gone by. Celebrate where the European nobility once resided. Where César Ritz, probably the most famous hotelier of all time, laid the foundation for the upscale international hotel industry as the hotel's first director. At the GRAND HOTEL NATIONAL - the first hotel on Lucerne's lakeside promenade.

Anyone who has been with us is impressed by the unique location and view, the historic house, the first-class service, and the extraordinarily creative cuisine.

Whether a fairytale wedding, private celebration, family anniversary, gala dinner for top clients or elegant company dinner - whatever you are planning privately or for business, we offer you the perfect setting. We organize your event with dedication and professionalism. With individual service and a warm hospitality, which is noticeably lived by the entire team of the hotel.

Let us advise you and benefit from our "savoir faire" and experience. We look forward to spoiling you and your guests and making your event an unforgettable experience.

Historic Rooms

The Belle Époque stands for eternal elegance and carefree enjoyment of life. In our two ballrooms "Ritz" and "Escoffier" and our salon "Harlekin", this flair can be felt at every turn.

Who has already celebrated and danced here - and who will do so in the future?

Our rooms impress with their height, stucco work and imposing chandeliers. Festively decorated, they provide a dignified setting for your business or private event.
