Weddings at the Grand Hotel National

A fairytale day

Get married at the place where European royalty once resided and where César Ritz, the most famous hotelier of his time, laid the foundation for international hospitality.

The Grand Hotel National, the first hotel on Lucerne's lakeside promenade, offers a breathtaking backdrop for your special day.

Those who celebrate with us experience the unique location and incredible views, the historic ambience, the first-class service and the exceptionally creative cuisine.

Whether it's an intimate celebration with a small circle or a grand wedding with all your loved ones, we provide the perfect setting for your celebration of love.

We look forward to planning your wedding with dedication and great attention to detail. Our committed team will arrange your celebration with exceptional professionalism and unwavering devotion. Your wishes and ideas are always at the heart of everything we do.

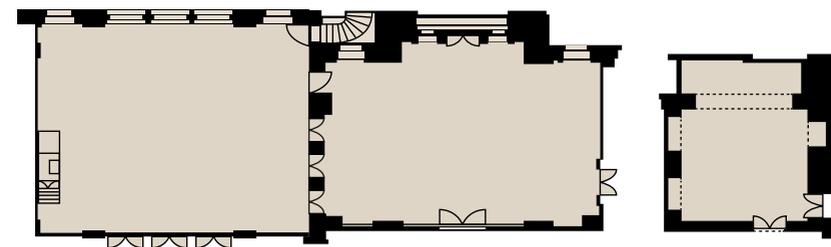

Glamorous events in Belle Époque charm

The Belle Époque stands for eternal elegance and carefree enjoyment of life. For over 150 years, our hotel has been the perfect venue for weddings. In our two ballrooms „Ritz“ and „Escoffier“ as well as the smaller „Harlekin“, this flair can be felt at every turn.

Our ballrooms impress with their height, stucco work and imposing chandeliers. Festively decorated, they provide the perfect setting for your event. In addition to the wonderful ambience, a breathtaking view of Lake Lucerne awaits you.

Take advantage of our hotel's extensive offerings: from a ceremony in the garden and aperitifs on the lakeside to a dessert buffet in the ballroom.
